Holiday

Compact Fluorescent Light **FUNDRAISER**

These festive LED Holiday lights use only 1/50th the electricity of standard holiday lights. Each strand of 70 bulbs draws only 4.8 watts vs. up to 350 watts for a comparable string of holiday lights. Suitable for indoor or outdoor use. Cool to the touch and safe to use. Choose multi-colored or white LED strings with C6 candle bulbs, or multi-colored or white G12 Globe LED light strings. All with green power cords.

Measurements:

C6 bulbs – 1.125" H x 0.5" W, 25' cord;

G12 globe lights – 0.5" D, 25' cord
