

Say What?

At times it seems as if children live to create new, increasingly secretive ways of communicating—leaving adults in the dark. Shed some light on their online conversations with NetSmartz® Workshop's list of **need-to-know chat abbreviations**, including those used to talk about sex and drugs. NetSmartz helps you keep your children safer online by providing the 411 necessary to decode their online chats.

143 – I love you
